

September 2020

Some of you will have used our Kents Hill Care Club before for either breakfast, after school or both! We were keen to know what our parents needed in the way of childcare and what they thought of the service we provided. I would like to say thank you to all who responded to the survey. Thank you all so much for your generous feedback! The recurring comment throughout was; could the meal or snack be more substantial in order that your child didn't need feeding again at home!

We asked, we listened and we're changing it!

There is a new four week, 'After School' menu list attached, which will be launched from **Monday 14th September**. This will be Week One. This means that every evening, the children will eat a hot meal. Hopefully this will now give your family a little extra time together, without the need to spend time feeding your child again, before its time for bed!

We have tweaked provision for Breakfasts too and every evening after school, children will have a biscuit and drink snack before they start their activities. Unfortunately, to include more substantial and varied meal we will have to, reluctantly, put up the price to **£11.50** per evening session (3:00-6:00pm). The price from 3:00-4:00pm will now be **£5.00**. Breakfast will be **£5.00** per session.

Please contact the school office for further advice if necessary.

Thanks again for your feedback! It has helped us enormously to determine what our families need.
