

This is the capitals machine! When sentences go in to it that do not start with a capital letter, the machine adds a capital letter in the right place. Can you write what will come out when these sentences are put in?

1. *i like Sonic.*
2. *he played on the Xbox.*
3. *we made cakes with mum.*

1.

---

---

---

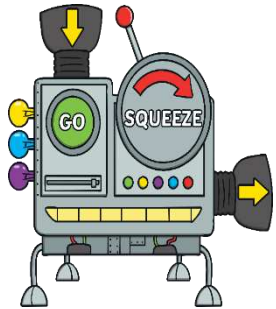

**Super Sonic Challenge:** Write your own sentence(s), remembering to put in capital letters.

---

---

This is the capitals machine! When sentences go in to it that do not have all the capital letters in it, the machine adds a capital letter in the right place.

1. i played tag with ben.
2. eddie and i went to the park.
3. we played football with emma and jack.
4. sophie lost her coat but i found it on my coat peg.

Can you write what will come out when these sentences are put in?

---

---

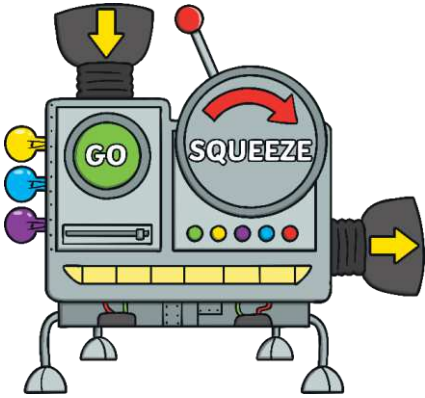

---

---

---

---

Oh no! The capitals machine is malfunctioning! Can you correct the machine's mistakes?

1. we made cakes at the Weekend.
2. i played tag with ben.
3. We went to london to See the queen.
4. On tuesday i went on holiday to spain.
5. it is Always cold in january And february.
6. We are going to the Park to play with eddie and adam.
