

Percy the Park Keeper always feeds the animals in the park where he lives. But one cold winter's night Percy discovers that his little friends need more than food and he must find a way to help them. After the story, you might like to complete some of the activities shared here.

### One Snowy Night

### Literacy

- Everyday Percy shares his lunch with the animals and he shares his hut when they are cold. How do you show **kindness** to others?
- Take photos and write a caption of the different ways you show kindness throughout the week. This could be sharing with a family member, being helpful, taking turns and making someone smile.

### Expressive Arts & Design

- Can you build the animals or your favourite toy a nice warm home that they can go to when it is cold? You can use any resources you like. What will you put in there?

<https://www.youtube.com/watch?v=vChCLsf6DEs> link for the story.

### Early Years

Spring Term Week 1

Home Learning  
Activities

### Maths

- The focus this week will be on positional words.
- **Activity one**- take turns with a family member to hide a toy and give clues to where it is using words such as- in front, behind, next to, between, above, below, on top of, underneath.
- **Activity two**- use the attached document (picture of Percy and the animals at the end of the story) to play 'guess what I am' giving your family member clues using the positional words listed above. This could be anything in the picture e.g. scissors, Conker.

### More Ideas...

- What is the weather like this week? Keep track of the weather each day you can record this any way you wish.
- What temperature is it? Could it snow? Are there any weather warnings?
- Can you draw a picture of what you might like to do in the snow?
- Can you go on a hunt to see what animals are in your area? Are there any clues? Such as, footprints, droppings, feathers and homes.
