

Nursery Rhyme Apps

KidloLand - Nursery Rhymes

(iPhone, iPad)

A wide-ranging selection of interactive nursery rhymes and songs that includes Twinkle Twinkle Little Star, Mary had a little Lamb, Old MacDonald, Itsy Bitsy Spider, Wheels on the Bus, If You Are Happy, London Bridge, BINGO, etc. There are a large number of animated nursery rhymes and other songs divided up into themed collections, as well as a small number of interactive activities making this one of the **best free apps for kids**.

The songs in this nursery rhymes app are divided up into sixteen categories - covering topics such as nursery rhymes, baby songs, baby rhymes, alphabets, animals, vehicles, food, times of the year and animals. Each song is very well animated, with an appealing cartoon style and high quality music and sound effects which is why it is one of the best nursery rhyme apps.

Storybook Rhymes Volume 1

(Android, iPhone, iPad)

This interactive app encourages early learning with dynamic characters, engaging music, sung songs, animations and baby's favorite nursery rhymes. This nursery rhymes app is self-voicing and children do not need to visually see the screen to enjoy the fun nursery rhymes and interactive points.

This nursery rhymes app is carefully designed for little ones with simple cartoon images, baby giggles, fun sounds and familiar nursery rhyme songs. Fisher Price has created three free read and sing along nursery rhyme apps - perfect for babies, toddlers and preschoolers who are ready to interact with tablets and phones.
