

L.I : To be able to measure accurately.

S.C : Remember to

- Hold the ruler straight
- Start at zero
- Draw the line
- Write your measurement
- Don't forget to write cm

Draw a line that is 1cm long

Draw a line that is 5cm long

Draw a line that is 8cm long

Draw a line that is 9cm long

Draw a line that is 10cm long

Draw a line that is 7cm long

Draw a line that is 12cm long

Draw a line that is 14cm long

*Draw a line that is 16cm long*

*Draw a line that is 22 cm long*

*Now it's your turn...draw a picture using straight lines & remember to use your ruler to make sure your lines are really straight.*
