

Turtles Weekly Activities

Activity 1:

This week we are exploring what makes us proud.

Take a photo of what you have done today that you are proud of?

Tell your grown up why you are proud of what you did.

Some examples might be a drawing, a tall tower, being kind to others.

Activity 2:

Go on mini beast hunt. What can you find?

Take photos of you exploring outside. You could look for spiders, worms, snails, slugs, earwig, woodlouse, flies, wasps, and butterflies.

Questions: What did you find the most of and why might that be? How many did you find? Where do they live? What do they eat? How many legs do they have?

Activity 3:

Can you set up a shop?

Lay out different items. Make up price labels on some paper (e.g. 2p, 5p), make some pretend money with paper or use real coins.

Make an open and closed sign and take turns being the shopkeeper.

Question ideas: How much did your shopping cost? Can you order the items by price?

Can you order the items by size? What time do you open tomorrow?
