

Steps to success;

1. Write if it is true or false.
2. Write the number sentence.
3. Draw a jotting to show your working.
4. Write the repeated addition number sentence.
5. If there is a mistake...use your words to explain what mistake has been made.

Spot the mistake.

Alex says, "There are 10 equal groups with 2 in each group. There are ten 2s."
