Task:

1. Draw a table like this.
2. Write or draw the things that make you have a good attitude and things that make you have a bad attitude.
3. Think about things that you can do to help you change your bad attitude into a good attitude.

Remember: Everyone can have a bad attitude but if you always have a bad attitude it rubs off and makes other people around you have a bad attitude too. Think about a rainbow, you have to get over it so that you have a good, positive attitude.
