

*Today you have some sentence challenges to complete.  
(Try to do this learning independently if you can.)*

*To be successful you will need to:*

*1. Read each instruction carefully, so that you understand what you need to include in each sentence.*

*(If you **do not** understand what you need to do, ask an adult to help you.)*

*2. Write your sentence.*

*3. Reread your sentence to check it makes sense and it is correctly punctuated.*

*4. Remember to make your sentences as interesting as they can possibly be!*
