

*L.I. To count and compare money (pence).*

						_____ p	
							_____ p
_____ p							
_____ p							

*Use >, < or = to compare the money.*

	<div style="border: 1px solid black; width: 60px; height: 40px; display: inline-block;"></div>	
	<div style="border: 1px solid black; width: 60px; height: 40px; display: inline-block;"></div>	
	<div style="border: 1px solid black; width: 60px; height: 40px; display: inline-block;"></div>	

*Count the money.*

	<div style="border: 1px solid black; width: 60px; height: 40px; display: inline-block;"></div> p
<div style="border: 1px solid black; width: 60px; height: 40px; display: inline-block;"></div> p	

Jamie selects four of these coins.

He can use the coins more than once.

What total could he make?  $\text{---}p + \text{---}p + \text{---}p + \text{---}p = \text{---}p$

What is **the lowest** total?  $\text{---}p + \text{---}p + \text{---}p + \text{---}p = \text{---}p$

What is **the greatest** total?

$\text{---}p + \text{---}p + \text{---}p + \text{---}p = \text{---}p$
