

Handa's Surprise activities

https://www.youtube.com/watch?v=XyIV_xYiOas

Nursery

Can you act out this story, using objects from around the home? Find yourself something to carry your fruit or vegetables in. You could use teddies to be the animals in the story. Don't forget to put the other fruit or vegetables in your bag so that when you get to see your friend you have a surprise! It would be lovely to see a video or some photographs of your super storytelling.

Reception

- ❖ Can you retell the story using stick puppets (see attached sheet)
- ❖ If you could change one thing from the story, what would you change? (one of the animals, fruits, main characters, setting?) Can you retell the story, but using your own changes?
- ❖ It would be great to see a video or photograph of your fantastic story telling.

Year 1

- ❖ Can you use your sheet to record all the different aspects of the story? The key characters, setting and animal characters (see attached sheet)
- ❖ As an extension, could you then write your own version of Handa's Surprise? (see 'book writing page format')

Year 2

- ❖ Can you create your own story plan, changing all or some aspects of the story? (see attached sheet).
- ❖ Where will your story be set? Who will the key characters be? The animals? The foods?
- ❖ As an extension you could turn your story plan into a book! (see notes with the attached sheet).
