

My Story Plan

The focus story is called 'Handa's Surprise'.

In the story Handa takes a basket of fruit to her friend, Akeyo as a surprise. Along the way different animals take the fruit and another fruit falls into her basket, so Handa is also surprised when she reaches her friend Akeyo.

Can you change the setting, main characters and animals in this story?

For example it could be set in: a cold country, the jungle, the UK, America, India, under the sea, or anywhere else you wish.

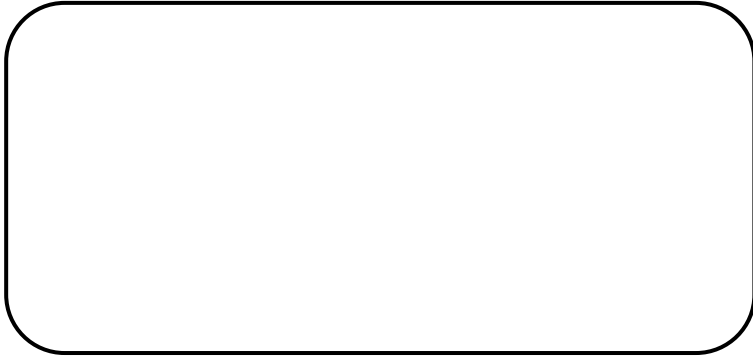

Please remember though that the animals in your story will need to be those that live in that setting, so you may need to research this first. Don't worry if you can't think of 8 animals for your story.

Have fun, and we look forward to seeing your fantastic story ideas.

It would be amazing if you could turn your plan into your own book! I have included some page formats if you wish to use them. (These can be printed 2 to a page so that they are A5 size)

Remember to use effective adjectives to describe each piece of food that is taken. 😊
