Kents Hill School

**Admissions Policy for
Reception Entry 2023**

Kents Hill School & Nursery

TOMORROW'S SUCCESS BEGINS TODAY

Our Vision

- At Kents Hill School all children, staff and governors take pride in our school. We have the highest expectations for our children and work together to enable each of them to achieve the very best they can. We celebrate all our successes.
- A Kents Hill School child will receive an enriched and enhanced curriculum that is dedicated to broadening their life experiences and equipping them with progressive knowledge and skills, becoming an effective life-long learner with high aspirations and ambition.
- We set high standards for both attainment and progress in all areas of learning. We extend this to our children's attitudes and behaviour. Role models amongst both staff and pupils are encouraged.
- Our learning environment aspires to constantly provide inclusivity, affirmation and respect so that children can thrive and achieve. We will provide individualised learning support in order to achieve this.
- At Kents Hill School, the richness and diversity of our world is appreciated, celebrated and valued.
- Our parents and children join us as a learning family. We are committed to promoting, nurturing and maintaining effective partnerships with parents and our wider community.

This policy relates to Reception entry admissions to Kents Hill School for September 2023. These admissions are co-ordinated by Milton Keynes Local Authority. This document should be read in conjunction with the Milton Keynes Council publication "Admission to Primary Schools in Milton Keynes: Information for Parents and Carers".

Places are allocated in line with Kents Hill School's oversubscription criteria, taking into account the infant class size limit of 15 for pupils aged 5, 6 or 7 at Key Stage 1. The Local Authority will inform parents of their child's school placement on National Offer Day.

Admissions Criteria for pupils aged 4+

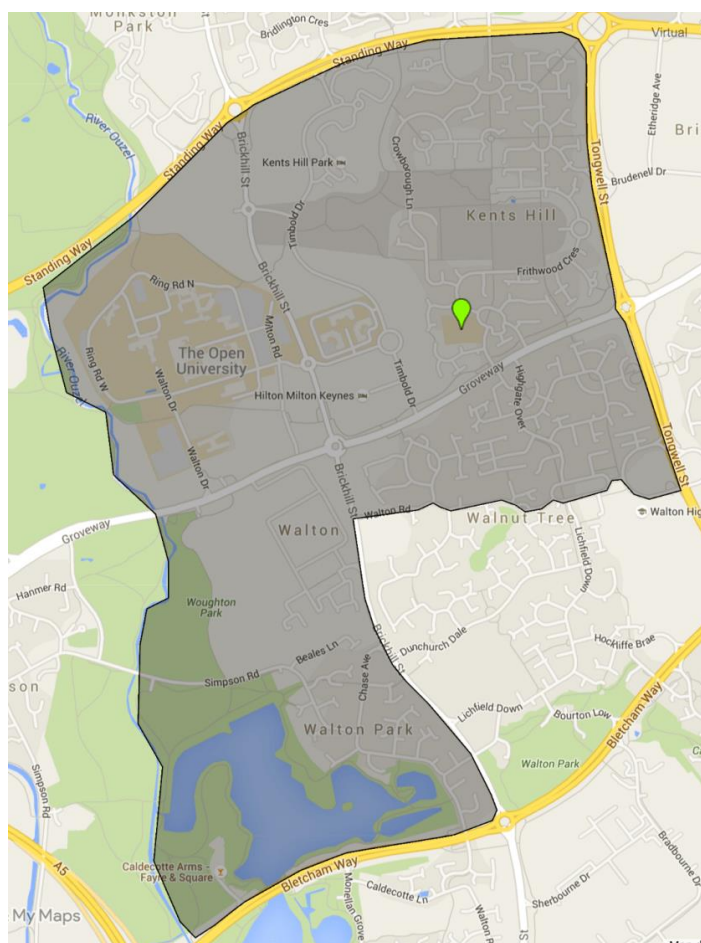

The planned admission number (PAN) for September 2023 is **15** pupils.

All children born during the school year, i.e. between 1st September 2018 and 31st August 2019, will be admitted to school in September 2023. Prospective applicants should note that it is generally not Kents Hill School's policy to allocate a place for a child to a year above or below that of the child's chronological age.

If a place cannot be offered at Kents Hill School, parents will be informed of their right to an independent appeal.

Defined Area

Kents Hill School's defined area for admissions is the area of Milton Keynes east of the Ouzel to Tongwell Street (V11) and between Standing Way (H8) and the north part of Walnut Tree. This area covers Kents Hill, Kents Hill Park, Walton, Walton Manor, Walton Park and part of Walnut Tree to the north of and including Walton Road, Hindhead Knoll and Fyfield Barrow.

Children with a Statement of Special Educational Needs (SEND) or an Education, Health and Care plan (EHC) naming Kents Hill School will be given priority for admission within the normal admission round, in accordance with national regulations.

Oversubscription Criteria

In the event of there being greater demand for admission than there are places available, places will be allocated in the following priority order:

1. Looked after or previously looked after children. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. Children attending Kents Hill School Nursery who also live in the school's defined area.
3. Children who live in the school's defined area and have a sibling on roll at the time of admission.
4. Children attending Kents Hill School Nursery who live outside the defined area and have a sibling on roll at the time of admission.
5. Children attending Kents Hill School Nursery who live outside the defined area.
6. Children who live in the defined area served by the school.
7. Children of staff employed by Milton Keynes Education Trust. Children of staff may only be given priority where the member of staff has been employed at the school for two or more years at the time at which the application to the school is made, and/or a member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
8. Children who live outside the defined area.

In the event of over subscription following the application of the criteria above, places will be allocated according to the proximity of the child's home to the school. The shortest route between Kents Hill School and the normal home address is measured using a computerised geographical information system. Each house and school has a unique reference, as do all the redways and paths which are coded at any point of junction such as at an underpass or where it crosses with another path. This enables the program to calculate the distance from home to school. All measurements are calculated using the same system providing consistency for all applicants.

Deferred entry

In accordance with the requirements of the Admissions Code, if your child has been offered a place:-

1. your child is entitled to a full-time place in the September following their fourth birthday;
2. you can defer the date your child is admitted to the school until later in the school year but not beyond the point at which your child reaches compulsory school age and not beyond the beginning of the final term of the school year for which it was made; and
3. if you wish, your child may attend part-time until later in the school year but not beyond the point at which your child reaches compulsory school age.

If this option is preferred, the Headteacher will wish to discuss the reasons with the parents to ensure that all the implications are understood by parents and school.

Permanent Residence

Permanent residence relates to the address where a parent receives child benefit for the child or where the child is registered with a GP. For situations where parents have shared responsibility for a child who lives part of the week with one parent and partly with another, the place would be offered in accordance with the main residence of the child during the week.

Sibling

A sibling is a brother or sister, which for admission purposes means brothers and sisters of whole or half blood or any other child (including an adopted child) who permanently resides at the same address and for whom the parent also has parental responsibility.

To be included as a sibling within the admissions rules the other child (sibling) should still be expected to be in attendance when the applicant child joins the school. Siblings are always checked and it would be helpful if you indicated where the existing child has a different family name.

Multiple Births

In cases where there is one remaining place available and the next child on the waiting list is one of a twin, triplet or other multiple birth group, both twins would be admitted (or all the siblings in the case of multiple births) even if this goes above the admission number for the school.

Fair Access Protocol

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced, vulnerable children are offered a place at a suitable school as quickly as possible. The school will comply with the Milton Keynes Fair Access Protocol. This may mean admitting children above the PAN.

Waiting List

The Local Authority maintains a waiting list until 31st December. If it is not possible to offer a place at Kents Hill School during the autumn term, a parent may request have their child's name added to the school waiting list, which is held in partnership with governors. The list is organised in line with the admissions criteria. A waiting list will be maintained until the end of the academic year after which it will be cleared. If you would like your child to be

placed on the waiting list for the following academic year please contact the school. If places become available they will be allocated from the waiting list.

The waiting list is maintained in the order of the published criteria. This means that names can move down the list if, e.g. someone moves into the area and is higher placed under the admissions criteria.

Appeals

The parents of any child refused a place at the school have a right to appeal to an independent appeal panel. Parents must submit their appeal in writing to the school within 20 school days from the date of notification (National Offer Day) that the application was unsuccessful. Appeals for September entry will be heard by July 2024. The appeals timetable is located on the school website. The decision of the independent appeal panel is binding on all parties.

Verification of information

Kents Hill School reserves the right to make its own enquiries to verify any information supplied on admissions application forms. If the school discovers that a place has been given to a child based on false, inaccurate or misleading information, it may withdraw the place.

Please contact the school office with any queries you have in relation this policy.

This policy will be reviewed annually by the Governing Body.
