

Dear Parents & Carers

1. Easter Bonnet Parade
2. Egg Decorating and Rolling Competitions

At Kents Hill School & Nursery we have a tradition of making & parading Easter Bonnets at the end of the Spring Term. We therefore would like to invite you to support your child at home to make a hat with an Easter or Spring theme. This could be as simple as a band of paper or card, large enough to go around your child's head, which they can decorate with flowers, eggs or any other Spring decorations.

Please bring the hats into school on Thursday 30<sup>th</sup> March.

We will then hold an Easter Bonnet Parade at **9am on Thursday 30<sup>th</sup> March** so that everyone can enjoy & celebrate one another's achievements. Please drop your child off at the normal place & time and wait on the playground for the children to show off their designs around the playground.

We continue to encourage our children to be creative as it is one of our 5 school values. Therefore, there will be a prize for the most creative Easter Bonnet from each year group.

Easter egg decoration and rolling competitions

We will also be holding an egg decoration competition! Are your design and decorating skills 'eggs-tra special? If so hard-boil an egg and then let your creativity be totally 'eggs-travagant! The most original from each year groups will win a prize. This will then be followed by an egg rolling competition to see how far they can travel from a standing start, rolled down a ramp. The furthest travelling 'eggs-ample' will also win a prize! Lots of visits from the Easter bunny for Kents Hill School & Nursery.

Thank you for your continued support.
